EDISS WEBINAR

With the support of the Erasmus+ Programme of the European Union
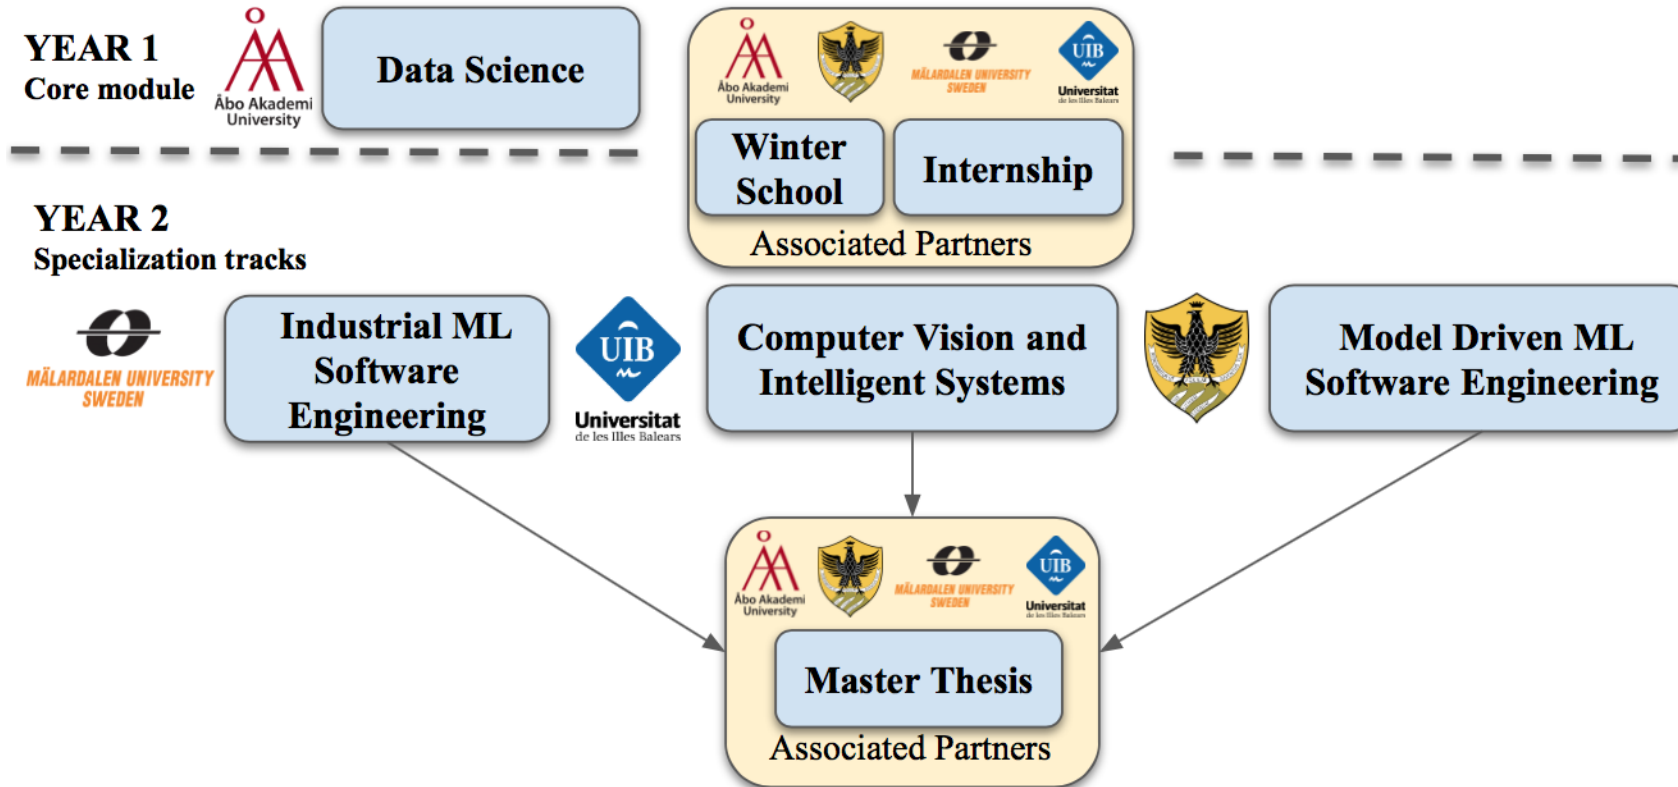

Partner universities

An Erasmus Mundus Joint Master Degree Programme

- Studies at two of the parner universities
- 120 ECTS credits
- 2 MSc degrees

What you will learn in EDISS

- EDISS gives a holistic view of AI/ML, data science and software engineering

- Studies combine both theoretical and practical knowledge as well as project work

- Step out of your comfort zone and live in an international environment

EDISS
MASTER'S PROGRAMME
www.master-ediss.eu

Programme structure

- **Winter School**
  - Every academic year

- **Internship**
  - Minimum 2 months
  - In cooperation with an associated company

Admission requirements

Undergraduate degree (at least 180 ECTS)

- *Computer science*
- *Software engineering*
- *Equivalent subject*

Admission to the programme is competitive and only the best applicants are selected.

Good proficiency in English

- *TOEFL iBT, min. score 93*
- *IELTS Academic, min. overall score 6,5 and individual score 6*
- *Exception criteria*

Erasmus Mundus scholarships

Scholarship	Determined by	Students from programme countries	Students from partner countries
Contribution to participation costs	*Citizenship or previous countries of residence*	4500€/year	9000€/year
Contribution to travel costs	*Country of residence*	1000€/year	2000€/year if residence is less than 4000 km from Åbo Akademi University 3000€/year if residence is 4000 km or more from Åbo Akademi University
Contribution to installation costs	*Country of residence*	–	1000€
Contribution to subsistence costs (max 24 months)	*Citizenship and Country of residence*	1000€/month	1000€/month
Total		**35 000€ over the 2-year programme**	**47 000€ or 49 000€ over the 2-year programme**

We expect to award 25 EMJMD scholarships for the 2022 intake.

EDISS admits also self-paying students. Self-paying students go through the same selection process as the students that apply for a EMJMD scholarship.

Separate application period for self-paying students from 2 March 2022 to 11 March 2022.

EDISS
MASTER'S PROGRAMME
www.master-ediss.eu

Application period with scholarship 15.11.2021-27.12.2021

**1. Check the academic and English language requirements**

2. Prepare your application documents

3. Apply online at Studyinfo.fi within the deadline

5. Admission results are published by March 2022

6. Verification of original documents upon arrival in Finland

Check out carefully all pages of the Admission section on EDISS website

EDISS
MASTER'S PROGRAMME
www.master-ediss.eu

Admission Schedule (with scholarship)

- Application with scholarship open until **27.12.2021 3PM Helsinki time**

- Deadline to update enclosures to submitted application **3.01.2022 3PM Helsinki time**
  - Allocate time to upload your enclosures! Uploading your video might take a lot of time!

- Admission results by March 2022
  - Student awarded an EMJMD scholarship will have 7 days to accept the offer
